

People's Pantry

#EveryChildFed

Open every weekday between 11am and 1pm, People's Pantry provides a three-day emergency supply of food, baby products and toiletries to local families.

The Peoples Pantry was created following an increase in demand from families needing support with food. Alice charity wanted to create an accessible and flexible service that truly met family's needs. This is being delivered through an easy referral system in which families are able to self-refer through social media, email, or phone calls. A warm and friendly welcome will always be received to anyone visiting our Peoples Pantry, whether that be a family needing support or someone wishing to donate. Our organisational values of kindness, compassion and a non-judgmental approach are at the forefront of everything we do and how we do it.

Our pantry manager and team of volunteers go above and beyond to ensure families are supported in a respectful and kind way to alleviate a family's stress and any feelings of embarrassment. We understand that everyone needs a little help from time to time and its nothing to ever be ashamed of.

To ensure the sustainability of the Peoples Pantry we rely on donations from the public, businesses and supermarkets and run with the support of volunteers. This allows the project to thrive and is a true representation of community supporting community. The kindness and generosity of Stoke On Trent and Newcastle under Lyme is truly heart-warming.
